Mr. Lou Bani
RLE Industries
35 Kulick Road
Fairfield, NJ 07004

Dear Lou:

During the past few years Pathmark has been working with your company and have benefited from the energy savings that our projects have generated. RLE Industries has successfully assisted Pathmark with the design and implementation of over 50 store lighting upgrade projects over the past few years. The proposed energy savings have been realized and have greatly helped to improve our bottom line.

Pathmark would like to thank RLE Industries for all their efforts put in towards the lighting enhancements and looks forward to continuing our working partnership with you.

Sincerely,
