

13/61

JOB NAME:

FIXTURE TYPE:

WALL BRACKET LUMINAIRES

FEATURES

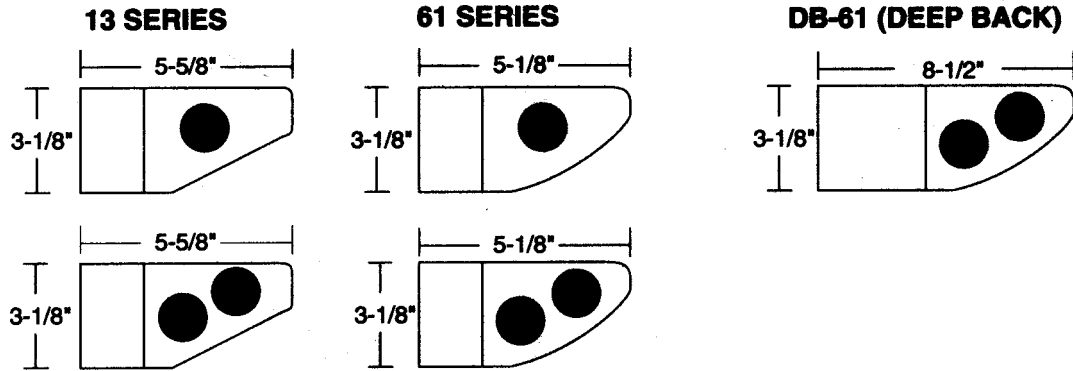

- Available in 18", 2', 3', and 4' lengths in 1 and 2 lamp configurations, T8 and T12.
- Both the smooth, sleek style of the 13 Series, and the rounded, rib style of the 61 Series creates an attractive appearance that compliments any wall surface.
- The perfect choice for illuminating mirrors, vanities, bathrooms, and any utility area.
- For horizontal mounting.
- Optional convenience outlet and switch to accommodate any requirements.
- Can be mounted in continuous rows with optional joiner band.
- Optional deep back housing for mounting over surface medicine cabinets (15W and 20W for 61 Series only).

SPECIFICATIONS

- **HOUSING**
Die formed heavy gauge steel housing and end plates.
- **ELECTRICAL**
Energy saving and electronic class P, HPF ballasts comply with Federal Energy Efficiency standards.
- **SHIELDING**
Standard white opal acrylic diffuser for the 13 Series. Ribbed white opal acrylic extruded lens for the 61 Series is standard.
- **FINISH**
Housing and interior reflecting surfaces finished with premium grade baked white enamel with a minimum 89% reflectance applied over iron phosphate pretreatment for maximum adhesion and rust resistance. End caps triple processed electrostatic chrome plating for durable finish. Optional finishes: All white (housing and ends), all chrome, oak, walnut, or bright brass.
- **CERTIFICATION**
All units bear UL label and Made in U.S.A. labels.
